

TRAFFIC SAFETY COMMITTEE

TOWN OF GUILDERLAND

Minutes for Committee Meeting on February 21, 2008

Attendees: **Present:** - Lieutenant Cox, Mike Hotaling, Betty McGowan, Patricia Slavick, Joe Hallenbeck, Minnie Lee and Jerry Houser who recorded the minutes.
Absent: Scott Snide and Norine Molloy

Meeting began at 7:05 PM.

- 1) **Minutes** - The minutes from the November 29, 2007 meeting were adopted as submitted.

Guest Speakers

A representative of Creighton Manning Engineering, LLP, Kristie L. Beamer, appeared before the TSC to outline the planned project for upcoming Albany County initiative, CR306/203 – Normanskill/Johnson Road Highway Rehabilitation Project. Ms. Beamer described the Project in some detail including the location of the sidewalks and road improvements. The Project is expected to take two construction seasons which is anticipated to begin in May. A number of questions were asked by members of the TSC and two members of the audience who live on Johnson Road. Ms. Beamer appeared before the TSC at the invitation of Councilwoman Slavick.

Unfinished Business

- 1) No Pending Cases

New Business

- 1) **Valley Lane** – A local resident residing on County Road requested a stop sign on Valley Lane at County Road (south end). Mike will check to see if there was a stop sign there before. If the sign was not previously approved, the TSC voted to recommend such installation to the Town Board. In the recommendation, a traffic study, accident history or full narrative to the Town Board is not required in this instance as this is an uncontrolled intersection and the installation of a stop sign is appropriate. N/F/A

NEXT MEETING: March 30, 2008
