WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York

(collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on August 15, 2016 (the "Resolution Confirming SEQR Determination"), the Agency (A) concurred in the determination that the Town of Guilderland Town Board (the "Town Board") is the "lead agency" with respect to SEQRA and (B) acknowledged receipt of a negative declaration from the Town Board (the "Negative Declaration"), in which the Town Board determined that the Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be proposed with respect to the Project; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Town of Guilderland, New York and (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York; and
