Guilderland, New York 12084

RE: Start of Construction
Rehabilitation of the Washington Avenue (State Route 910D) Bridge
over Fuller Road Alternate (State Route 910F)
City of Albany and Town of Guilderland, Albany County
NYSDOT Contract-D264155

Dear Mayor Sheehan/Supervisor Barber:

We are pleased to advise you that, weather permitting, work on the above-referenced project is scheduled to start on **Monday, April 13**.

Construction will be progressed so as to ensure that at least one lane is open in either direction of travel on Washington Avenue Extension and on Fuller Road Alternate at all times. In addition, the contract prohibits any lane closures during the morning or afternoon peak travel periods.

The current expectation is that all construction under this project will take place during the 2020 construction season. We will advise you if the actual pace of progress points to a significant change to the expected completion date.

Should you have any questions regarding this work, my contact information is as follows:

Bruce Samson
518-608-5412 (field office)
518-378-7523 (cell)
Bruce.Samson@dot.ny.gov

Sincerely,

Bruce Samson

Bruce Samson
Project Engineer-in-Charge

Hon. Katherine Sheehan/Hon. Peter Barber
