SWARM HOTLINE (518) 387-9276

Good Morning!

Do wild honeybee swarms make you nervous? ***Swarm Hotline can help!***

The Southern Adirondack Beekeepers Association is a group of beekeepers from 10 counties surrounding the Capital District. Our members include individuals who are available to collect honey bee swarms in your area. Many beekeepers are more than happy to catch a swarm on a moment's notice.

Call the Swarm Hotline at (518) 387-9276 or (518) 38-SWARM

Should a honey bee swarm present itself, please do not hesitate to call the swarm hotline and leave a message at any time. Someone will call you back to let you know a local beekeeper has been notified.
